PPORT IN EXPORT SECTOR MAJOR EXPORTERS e backbone of the device, Established in 2012, is to establish a partnership between the state and a leading figure of the private ctor to communicate and unite a sector offering for foreign markets. It is thus a public-private approach to support exports in key ctors for our exchanges, characterized by a French offer of quality and global demand. The device was launched in the areas of alth, food, digital and sustainable cities, which are then added to the tourism industries and the cultural and creative sector. In May 15, it was extended to a seventh sector: renewable energy.
